

DECLARATION OF CONFORMITY

Kamco Scalebreaker and Clearflow chemical cleaning pumps

Kamco Limited declare that Kamco Clearflow CF40, CF90 and CF210, and Scalebreaker C20, C40, C90 and C210 power flushing and chemical cleaning pumps meet the requirements of the applicable EC directives for this type of equipment.

These products are in compliance with The Low Voltage Directive 2006/95/EC.

They also comply with the following European Directives:

Electromagnetic Compatibility Directive (EMC) 2004/108/EC.

Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) 2011/65/EU.

Clearflow chemical cleaning pumps carry the CE marking:

It should be noted that as at August 2018, there are no performance standards, UK or European, existing for chemical cleaning and power flushing pumps, and therefore no standard (other than the manufacturers' specification), to conform to.

A handwritten signature in black ink that reads 'Keith MacBain'. The signature is written in a cursive, flowing style.
